

Design Your Own Roundel

Panto is back and we can't wait! To celebrate this magical time, we've got another exciting community arts activity for you.

This year we'll be joining Dick Whittington and His Cat as they follow their dreams on an unforgettable journey to London and beyond! And what says London, journeys, and travelling better than the famous roundel, the symbol of TfL Overground and Underground!

That's why we're asking you, our wonderful community, to design your own roundel that will be displayed in our Front of House space during the panto season.

Perhaps you'll create a sign for Whittford Junction or Great Catland Street? Maybe you'll turn your roundel into a wreath? Or perhaps your roundel will be yellow and black and covered in hornets? Whatever design you choose, we can't wait to see it!

You can use the template provided or create your own, and we welcome any type of arts and craft (knitted, collaged, appliqued, crayoned...)

To get involved, download and print the roundel template (or create your own!) and either email, post, or drop your completed design back to us at:

takepart@watfordpalacetheatre.co.uk

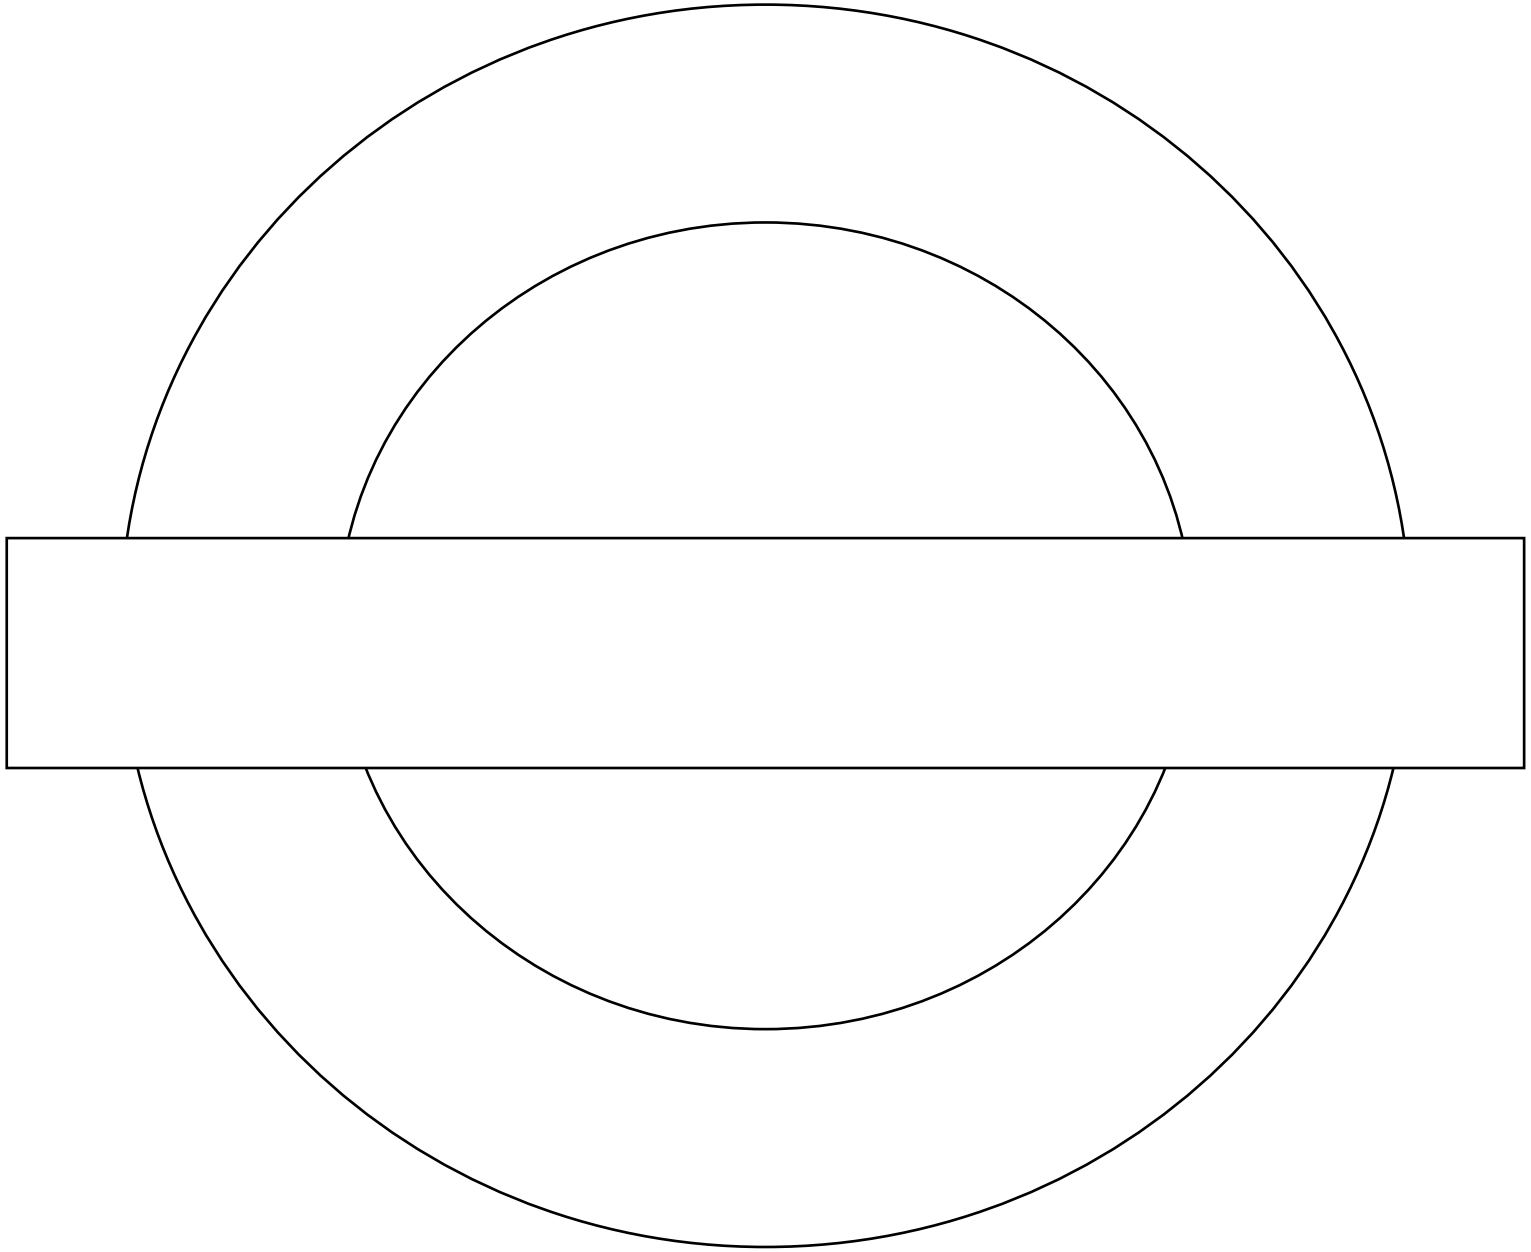

Watford Palace Theatre
20 Clarendon Road
Watford
WD17 1JZ

Alternatively, you can request a hard copy of the template by emailing us at takepart@watfordpalacetheatre.co.uk with your name and address and we'll post a copy to you. Hard copies are also available from our café and box office so why not pop in and pick one up (and treat yourself to a coffee and cake whilst you're at it?!).

Please return your roundels to us by **Friday 26th November**.

Design Your Own Roundel

Use your imagination to create your own roundel- the symbol of TfL Overground and Underground. Cut it out, decorate it and add your tube station name to the centre!

Please note that anything below this line will not be displayed and is for office use only. Please return this along with your completed roundel.
